## MEMBER BENEFITS AND APPLICATION

*"Working together to  
make our parkway a  
better place to live,  
work, and play"*

# BENEFITS OF MEMBERSHIP...

We would like to invite you to become a member of the Golden Isles Parkway Association, Inc. We need tourism and economic development partners from your community to join and help support this organization through a membership investment.

The purpose of the GIPA is to support and enhance the economic development along Highway 341 from Perry to Brunswick; and to initiate, plan, direct, and coordinate programs for providing support in conjunction with and in cooperation with citizens, government, business, and industries for the building, sustaining, and maintaining of the Golden Isles Parkway located in the State of Georgia.

The GIPA is striving to promote travel and economic development along the parkway and your support is needed. Our first annual "Peaches to the Beaches" Antiques and Yard Sale in March 2005 was a huge success and we are looking forward to the event growing bigger and more popular each year. This unique event is drawing regional and statewide attention to the Golden Isles Parkway. Your investment would provide financial support for this event as well as other projects that will have a significant positive economic impact on all the communities along the parkway, including your very own community.

Thank you for your consideration.
